UNAUDITED SALES VOLUME IN OCTOBER 2014

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group for the month of October 2014 was 44,257 units, a decrease of approximately 21% over the same period last year, but was up approximately 13% from September 2014 and was the Group’s highest monthly sales volume so far in 2014. The Group’s exports volume was 3,957 units in October 2014, down around 72% from the same period last year, due to deteriorating political environment in some of the Group’s major export countries. During the month of October 2014, the Group’s total sales volume in China market was 40,300 units, about the same level the Group achieved in the corresponding period last year and was the highest domestic monthly sales volume achieved so far this year. The total sales volume in the first ten months of 2014 was 318,372 units, down about 26% from the same period last year and achieving 74% of our revised full year sales volume target of 430,000 units in 2014.

During the month of October 2014, the combined sales volume of “EC7” and the newly launched “Xindihao” of the Group was 19,008 units, a decrease of about 6% from the same period last year and representing about 43% (versus an average of 36% in the first nine months of 2014) of the total sales volume of the Group during the month. Of which, the sales volume of newly launched “Xindihao” was 15,864 units in October 2014, up around 15% from September 2014. The aggregate sales volume of “GX7” and “SX7”, the Group’s Sport Utility Vehicles (SUVs) was 6,319 units in October 2014, a decrease of about 15% from the corresponding period last year.

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company's auditors and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
