UNAUDITED SALES VOLUME IN NOVEMBER 2015

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group for the month of November 2015 was 51,367 units, an increase of approximately 15% over the same period last year and up approximately 4% from October 2015. The Group’s exports volume was down around 72% year-on-year to 854 units in November 2015, due to the uncertain political and economic environment in some of its major export markets. The Group’s sales in China in November 2015 continued to maintain its strong momentum, with the total sales volume up around 22% year-on-year to 50,513 units. The overall sales volume in the first eleven months of 2015 was 456,230 units, up about 26% from the same period last year and exceeding the full year sales volume target of 450,000 units in 2015.

During the month of November 2015, the combined sales volume of “EC7” and “New Emgrand” was 21,725 units, about the same level for the corresponding period last year. The aggregate sales volume of “GX7”, “SX7” and “GX9”, the Group’s Sport Utility Vehicles (SUVs), was 4,408 units in the month of November 2015, a decrease of about 42% from the corresponding period last year. The combined sales volume of “Vision” sedan and its new version was 13,681 units in the month of November 2015, more than twofold increase when compared with the same period last year. The Group’s “Geely GC9” (吉利博瑞), its latest B-segment sedan, achieved another record high with sales volume of 5,427 units in November 2015, an increase of around 9% from previous month.

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company's auditors and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
