## **UNAUDITED SALES VOLUME IN FEBRUARY 2016**

The board of directors of Geely Automobile Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) is pleased to announce that the total sales volume of the Group for the month of February 2016 was 33,327 units, an increase of approximately 1% over the same period last year, but was down approximately 45% from January 2016, primarily due to the Chinese New Year holiday in early February and thus the less number of working days in February 2016. The total sales volume in the first two months of 2016 was 93,420 units, an increase of approximately 2% from the same period last year. The Group’s exports volume was down around 41% year-on-year to 4,070 units in the first two months of 2016. During the first two months of 2016, the Group’s total sales volume in the China market reached another record high at 89,350 units, an increase of around 5% from the same period last year.

During the first two months of 2016, the total sales volume of “New Emgrand” was 36,748 units, an increase of about 2% from the same period last year. The aggregate sales volume of “GX7”, “SX7” and “GX9”, the Group’s Sport Utility Vehicles (SUVs), was 7,735 units in the first two months of 2016, a decrease of about 36% from the corresponding period last year, ahead of the planned launch of new generation of mid-size SUVs at the end of March 2016. The total sales volume of “Kingkong” sedan was 15,565 units in the first two months of 2016, up about 35% year-on-year. The total sales volume of “Vision” sedan was 23,025 units in the first two months of 2016, up about 22% year-on-year. The Group’s “Geely GC9” (吉利博瑞), its latest B-segment sedan model, achieved total sales volume of 8,616 units in the first two months of 2016.

Please note that the sales volumes above are unaudited figures and have not been confirmed by the Company's auditors and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.
