### GENERAL MANDATES TO REPURCHASE SHARES AND TO ISSUE NEW SHARES

#### General Mandate to Repurchase Shares

At the Annual General Meeting, an ordinary resolution will be proposed to Shareholders that the Directors be granted the Repurchase Mandate to repurchase Shares. In accordance with the Listing Rules and the Share Buy-backs Code, the maximum number of Shares that the Company may repurchase under the Repurchase Mandate shall not exceed 10% of the issued and fully paid up share capital of the Company as at the date of passing of the ordinary resolution in relation thereof. The Repurchase Mandate allows the Company to repurchase Shares only during the period ending on the earliest of the date of the next annual general meeting of the Company, or the date upon which such authority conferred is revoked or varied by an ordinary resolution of Shareholders in a general meeting of the Company.

An explanatory statement containing the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolution for the grant of the Repurchase Mandate to the Directors at the Annual General Meeting is set out in Appendix I to this circular.

#### General Mandate to Issue New Shares

At the Annual General Meeting, an ordinary resolution will also be proposed to Shareholders that the Directors be granted the General Mandate to issue new Shares in order to ensure flexibility and discretion to the Directors. The General Mandate will represent up to 20% of the aggregate number of the issued share capital of the Company as at the date of passing of the ordinary resolution in relation thereof. Based on 8,992,260,540 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be issued or repurchased prior to the date of the Annual General Meeting, the Directors will be authorised to issue 1,798,452,108 Shares pursuant to the General Mandate.

Subject to the passing of the aforesaid ordinary resolutions of the Repurchase Mandate and the General Mandate, a separate ordinary resolution will also be proposed to Shareholders to authorise the Directors to issue new Shares in an amount not exceeding the aggregate number of the Shares repurchased by the Company pursuant to the Repurchase Mandate.

### RE-ELECTION OF DIRECTORS

Pursuant to Article 116 of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that each Director (including those appointed for a specific term) shall be subject to retirement by rotation at least once every three years at the annual general meeting of the Company, provided always that any Director appointed pursuant to Article 119 or 122(a) of the Articles of Association shall not be taken into account in determining the Directors who are to retire by rotation at such meeting. A retiring Director shall retain office until the close of the meeting at which he retires, and shall be eligible for re-election thereat.

Pursuant to Article 99 of the Articles of Association, the Board shall have power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the next following general meeting of the

Company (in the case of filling a casual vacancy) or the next following annual general meeting of the Company (in the case of an addition to their number) and shall then be eligible for re-election at that meeting provided that any Director who so retires shall not be taken into account in determining the number of Directors who are to retire at such meeting by rotation pursuant to Article 116 of the Articles of Association.

Pursuant to Article 116 of the Articles of Association, Mr. Yang Jian, Mr. Ang Siu Lun, Lawrence, Mr. Carl Peter Edmund Moriz Forster and Mr. Yeung Sau Hung, Alex shall retire by rotation, and being eligible, shall offer themselves for re-election at the Annual General Meeting. The biographical details of the Directors proposed to be re-elected are set out in Appendix II to this circular.

### **Continuous Appointment of an Independent Non-executive Director Serving More Than 9 Years**

Pursuant to code provision A.4.3 of Appendix 14 to the Listing Rules, serving a company for more than 9 years could be relevant to the determination of a non-executive director's independence. If an independent non-executive director serves more than 9 years, his further appointment should be subject to a separate resolution to be approved by shareholders.

Mr. Yeung Sau Hung, Alex (“**Mr. Yeung**”) was appointed as an independent non-executive Director on 6 June 2005 and he has served the Company for more than 9 years from 6 June 2014 onwards. Nonetheless, the Company has received from Mr. Yeung a confirmation on independence pursuant to Rule 3.13 of the Listing Rules. Taking into account his independent status in the Board in the past years, and that he does not hold any executive functions or is not involved in the day-to-day management of the Company, the Board considers Mr. Yeung to be independent under the Listing Rules. Accordingly, the Directors would like to seek from the Shareholders an approval for the continuous appointment of Mr. Yeung as an independent non-executive Director at the Annual General Meeting.

### **ANNUAL GENERAL MEETING**

A notice convening the Annual General Meeting is set out on pages AGM-1 to AGM-4 of this circular.

### **Voting by way of Poll**

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders to be taken at a general meeting must be taken by poll and the voting results of the poll should be announced by the company in accordance with the requirements under Rule 13.39(5) of the Listing Rules.

A form of proxy for use by Shareholders at the Annual General Meeting is enclosed hereto. Whether or not you intend to attend and vote at the Annual General Meeting in person, you are requested to complete the accompanying form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong share registrar and transfer office, Union Registrars Limited, at Suites 3301-04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong as soon as practicable but in any event not less than 48 hours before the time appointed for holding the Annual General Meeting. Completion and return of the form of proxy will not preclude you from subsequently attending and voting in person at the Annual General Meeting should you so wish.

### RECOMMENDATION

The Directors consider that the aforesaid proposed resolutions for the granting of the Repurchase Mandate and the General Mandate to the Directors, and the proposed re-election of Directors are in the best interests of the Company and Shareholders as a whole. Accordingly, the Directors recommend Shareholders to vote in favour of the relevant resolutions to be proposed at the Annual General Meeting.

Yours faithfully,

For and on behalf of

**Geely Automobile Holdings Limited**

**Li Shu Fu**

*Chairman*

*This Appendix contains the necessary particulars required by the Listing Rules to be included in an explanatory statement to enable Shareholders to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the Repurchase Mandate.*

**LISTING RULES IMPLICATIONS FOR THE REPURCHASE MANDATE**

The Listing Rules permit the Company to repurchase its own fully paid up Shares on the Stock Exchange not exceeding 10% of its issued share capital, subject to certain restrictions and provisions of the Takeovers Code and the Share Buy-backs Code; the most important of which are summarised below:

**(a) Shareholders' approval**

All proposed repurchases of the fully paid up Shares on the Stock Exchange by the Company must be approved by Shareholders in advance by way of an ordinary resolution, either by way of a general mandate or a specific approval being granted to the Directors; such mandate so granted only allows the Company to make repurchases during the period ending on the earliest of the date of its next annual general meeting, or the date upon which such authority conferred is revoked or varied by ordinary resolution of Shareholders in a general meeting of the Company.

**(b) Source of funds**

Repurchases of Shares must be funded entirely from the Company's available cash flow or working capital facilities and will be made out of funds legally available for such purposes in accordance with the Company's memorandum and articles of association and the laws of the jurisdiction in which the Company is incorporated or otherwise established.

**(c) Dealing restrictions and subsequent issues**

The Company may not make a new issue of Shares or announce a proposed new issue of Shares for a period of 30 days after any repurchase (other than an issue of securities pursuant to the exercise of warrants, share options or similar instruments requiring the Company to issue securities, which were outstanding prior to such repurchase), without the Stock Exchange's prior approval. In addition, the Company shall not repurchase Shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the 5 preceding trading days on which its Shares were traded on the Stock Exchange. The Listing Rules also prohibit the Company from repurchasing its Shares on the Stock Exchange if the repurchase would result in the number of the Company's listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage under the Listing Rules.

**(d) Status of repurchased shares**

The listing of the Shares repurchased on the Stock Exchange by the Company shall be automatically cancelled upon repurchase and the Company must apply for listing of any further issues of that type of Shares in the normal way. The Company shall ensure that the documents of title of the repurchased Shares are cancelled and destroyed as soon as reasonably practicable following settlement of any such repurchase.

**REASONS FOR SHARE REPURCHASE**

The Directors believe that it is in the best interests of the Company and Shareholders as a whole to continue having an authority conferred from Shareholders to enable the Directors to repurchase Shares on the Stock Exchange. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it as the appropriate situation to repurchase Shares, they believe that having the authority conferred to do so would give the Company additional flexibility that would be beneficial to the Company and Shareholders as such repurchases may, depending on the market conditions and funding arrangements of the Company at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. Shareholders can be assured that the Directors will only make such repurchases in circumstances where they consider them to be in the best interests of the Company and Shareholders as a whole.

**SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 8,992,260,540 Shares. Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed to repurchase a maximum of 899,226,054 Shares, being 10% of the issued share capital of the Company, during the period ending on the earliest of the date of its next annual general meeting, or the date upon which such authority conferred is revoked or varied by ordinary resolution of Shareholders in a general meeting of the Company.

**FUNDING OF REPURCHASE**

In repurchasing Shares pursuant to the Repurchase Mandate granted by Shareholders, the Company shall only apply funds legally available for such purposes in accordance with the Company's memorandum and articles of association and the applicable laws of the Cayman Islands. It is envisaged that the funds required for any repurchase would be derived from the capital paid up on the Shares being repurchased and from the distributable profits of the Company.

The Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the most recently published annual report of the Company for the financial year ended 31 December 2018) in the event that the proposed repurchases were to be carried out in full at any time during the proposed repurchase period. The Directors do not propose to exercise the Repurchase Mandate to such extent that would have a material adverse impact on the working capital or gearing position of the Company which in the opinion of the Directors is from time to time inappropriate for the Company.

**DISCLOSURE OF INTERESTS**

None of the Directors, and to the best of their knowledge having made all reasonable enquiries, nor any of their respective associates, has any present intention, in the event that the Repurchase Mandate is granted by Shareholders, to sell any Shares to the Company.

No connected person of the Company has notified the Company that he/she has a present intention to sell Shares to the Company or has undertaken not to do so, in the event that the Repurchase Mandate is approved by Shareholders.

**UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

**EFFECT OF THE TAKEOVERS CODE**

In the event that the exercise of the authority to repurchase Shares pursuant to the Repurchase Mandate a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code as stipulated under rule 32 therein. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of the increase in any 12 month period, could obtain or consolidate control of the Company and thereby be obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, Mr. Li Shu Fu, who is the controlling shareholder of the Company, together with his associates are interested in 3,987,588,000 Shares, representing approximately 44.34% of the issued share capital of the Company. In the event that the Directors exercise the Repurchase Mandate in full to repurchase 899,226,054 Shares, being 10% of the issued share capital of the Company granted under the Repurchase Mandate, the shareholding interest of Mr. Li Shu Fu, together with his associates, in the Company would be increased to approximately 49.27% of the issued share capital of the Company. Such increase would give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code. In the event that any exercise of the Repurchase Mandate would, to the Directors' knowledge, have such a consequence, the Directors would not exercise the Repurchase Mandate to such extent.

**SHARE REPURCHASE BY THE COMPANY**

No repurchase of Shares has been made by the Company in the six months prior to the Latest Practicable Date.

**SHARE PRICES**

The highest and lowest prices at which the Shares being traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:
