- Significant improvement in competitive advantages in brand image, product and service quality
- Technology cooperation with Volvo Car should further strengthen the Group's competitiveness
- Other positive drivers in 2H2013: (1) added capacity and thus output for SUVs, (2) more models qualified for government procurements, (3) better cost and penetration in Southern America and Eastern Europe following local production in Uruguay and Belarus.
- Target to grow sales volume by 16% to 560,000 units in 2013
