**Geely Automobile Holdings Limited**  
**SALES VOLUME FOR FEBRUARY 2016 REACHED 33,327 UNITS**  
**SALES VOLUME UP 1% YOY**

(HONG KONG, 7 March 2016) --- Geely Automobile Holdings Limited ("Geely Automobile"/the "Group")(Stock code: 175) announced that the total sales volume of the Group for the month of February 2016 was 33,327 units, an increase of approximately 1% over the same period last year, but was down approximately 45% from January 2016, primarily due to the Chinese New Year holiday in early February and thus the less number of working days in February 2016. The total sales volume in the first two months of 2016 was 93,420 units, an increase of approximately 2% from the same period last year. The Group's exports volume was down around 41% year-on-year to 4,070 units in the first two months of 2016. During the first two months of 2016, the Group's total sales volume in the China market reached another record high at 89,350 units, an increase of around 5% from the same period last year.

The Spokesman of Geely Automobile said, "During the first two months of 2016, the total sales volume of 'New Emgrand' was 36,748 units, an increase of about 2% from the same period last year. The aggregate sales volume of 'GX7', 'SX7' and 'GX9', the Group's Sport Utility Vehicles (SUVs), was 7,735 units in the first two months of 2016, a decrease of about 36% from the corresponding period last year, ahead of the planned launch of new generation of mid-size SUVs at the end of March 2016. The total sales volume of 'Kingkong' sedan was 15,565 units in the first two months of 2016, up about 35% year-on-year. The total sales volume of 'Vision' sedan was 23,025 units in the first two months of 2016, up about 22% year-on-year. The Group's 'Geely GC9', its latest B-segment sedan, achieved total sales volume of 8,616 units in the first two months of 2016."

Detailed sales volume data will be available upon request. Please contact Ms Tracey Tong at Prime International for further information. The sales volume figures released are based on a more stringent recognition criterion, requiring all sales to be contracted, paid and delivered before it would be recognized. These figures, however, are preliminary figures and will be subject to changes and final confirmation.
