Save as the sales volume disclosed above, during the month of October 2023, Proton<sup>Note 2</sup> achieved sales volume of 12,876 units of vehicle, representing a decrease of approximately 10% compared to the same period last year. Further, in the first ten months of 2023, the cumulative sales volume of Proton reached 132,535 units of vehicle, representing an increase of approximately 11% compared to the same period last year.

Please note that the figures disclosed in this announcement are unaudited and have not been confirmed by the Company's auditor and may be subject to adjustment and final confirmation. Shareholders and potential investors are advised to read carefully the financial results of the Group when it is published.

*Note 1: Although the total sales volume is not directly correlated to the revenue recognised by the Group during a specific period as it includes all sales volume of LYNK & CO and Livan on a 100% consolidated basis, the board of directors of the Company believes that it better reflects the potential demand for the Group's vehicles.*

*Note 2: The Group completed the acquisition of a 49.9% equity stake in Proton on 28 April 2023. For more details about Proton, please refer to the Company's announcement dated 20 January 2023 and circular dated 6 April 2023.*
